**Great Ormond Street Hospital is unlike any other.** It's a home from home for some of our families, a place to find hope and support through the hardest times. Because we believe that children get better quicker when their parents are around, we provide accommodation for 1,000 parents every week. It's a place of learning where we train medical professionals from around the UK and the world to ensure a brighter future for sick children everywhere. It's a place where miracles do happen. Our ground-breaking research means that we are able to help more children get better quicker.

Amazing things happen at Great Ormond Street Hospital every day. With your help we can keep the magic alive.

**There is a small amount of legal stuff that we have to make you aware of when you tick the Gift Aid box.** By ticking this box and kindly giving us your name and address, you are letting the Government know that you would like them to give us the tax back on your donation. It is important that you are paying income or capital gains tax at the time of paying your sponsorship money and that the amount of tax you have paid is more than the amount we reclaim. Thanks for taking the time to read the small print.
